

Parish Council Meeting 26 Jan

AED: A presentation was given by Cliff Medicott of WM Ambulance Service about the Clun Valley AED scheme. As reported previously, this scheme complements the Ambulance and First Responder services and is co-ordinated locally by Eddie Jones. The nearest defibrillators to our area are in Clun and Aston, but more will be allocated as funds become available and volunteers are trained. Cliff emphasised the user friendliness of the equipment, with audible prompts to remind the operator of each step.

8 people in the parish have received training so far, including 6 in Clunton. The next (free) local training course is on April 14, anyone interested should contact Eddie on 640856.

There was general agreement that the Council should support the scheme, and later in the meeting a contribution of £350 was approved, to come from reserves.

Vacancy: A by-election may be needed if there is more than one volunteer in response to the current adverts for the Parish Councillor vacancy. If there are no volunteers, then co-option may be necessary.

BOAT: Shropshire Council (SC) have advised that the Byway Open to All Traffic (BOAT), a green lane that runs from Clunton to Clun below Sowdley Woods, is unlikely to have its status changed, even though Clunbury PC believe it to be unsuitable for motor traffic. Clun PC have indicated there are no problems their end, where it is much wider. It was agreed to ask the farmer who originally raised the issue to keep a log of incidents before proceeding further. (If anyone else encounters dangerous incidents on this or any other green lane in the parish please let the PC or Parish Post have details).

Footbridges: The footbridge over the Clun in Clunbury has been inspected by SC and is due for maintenance work next year. Another nearby footbridge is said to be in good order, but the PC are to challenge this.

Speeds Near Kempton: A survey of traffic on the B4385 through Kempton indicates average speeds of about 44 mph, with a small percentage exceeding 55 mph. A mandatory 40 limit was not thought to offer much potential reduction.

Rates: The Parish precept for next year was proposed to be unchanged, with reserves being used to cover a small predicted shortfall.

Cardboard Waste: A request has been made by a parishioner for the PC to fund a skip for collecting waste cardboard. In view of the need to support 3 centres, it was decided to find out what SC's medium term plans are before reviewing further.

Footpaths: A new footpath monitor is needed for the Parish. It was decided to discuss this with members of the local walking group before seeking a volunteer.

Next meeting: 22 March, Clunbury Village Hall, 8pm.

Can You Help?

We have been contacted by Vic Harding whose great great grandfather was the last beer house keeper at The Raven (now Dutch Cottage) in Clunbury until its closure, on his death, in 1879. Vic is hoping to locate a photograph of the building when it was a beer house, though the chances seem slim. However Vic would greatly appreciate any information relating to The Raven (also known at some time as The Pig & Whistle). If you can help or know someone who might have information please phone David or Sue on 660355.

Lapwing and Surveys of Other Birds and Wildlife, 2012

Monday 19 March 7.30 pm

Lydbury North Village Hall

This is a meeting for anyone interested in taking part in the 2012 Survey.

The 2011 Lapwing survey showed yet another decline in the Lapwing population.

Only 5 young are known to have fledged over the last 3 years. This level of productivity is not sufficient to sustain the local population. Some steps have been taken to try and improve their breeding habitat, but will they make a difference? Other species also appear to be in decline. Your help is needed to ensure that all sightings are recorded.

Everyone welcome, no experience necessary, training can be provided.

Jill Gandy's photos

Those of you intrigued by the photos in last month's edition may be interested to know that the photo of the people rehearsing for a play was taken in the loft of the barn at Upper House, Clunbury, where the Gandys lived; the two gentlemen talking to Ida Gandy were standing outside the barn doors. Barbara Freeman tells us that the doors are still there and looking just the same!

Clunbury Under 5s News

The Under 5s group has a new Chair, Jess Grafton, but are looking for new members to join their committee and would be particularly interested to hear from any older people in the parish who could spare some time to help and would like to get involved.

The playgroup, which meets in Clunbury Village Hall, is open from 9am to 3pm on Mondays and Fridays. It is Ofsted registered and employs fully qualified staff.

Friendly and flexible childcare from aged 2 is offered for £16 per day or £6.75 per session. Bumps, babies, carers and toddlers are also welcome at just £3 per family including tea and cake.

This lovely facility isn't being used as much as it could be, which is a real shame. We would love to meet more families and children.

Clunton Scrumperers

The Quiz and Supper held at the Village Hall saw a good turn out despite the weather. The Quiz was varied and not too difficult. The Supper was warming and filling. The Raffle proceeds will go to the Rainbow Ward, Shrewsbury. The next Clunton Scrumperers event will be in June, a Cider Barrel Evening. Watch this space.

Jane Bailey

Karl and Sarah-Marie Bailey would like to thank all those friends and neighbours who attended Jane's funeral and for the tremendous amount of support they have received locally. The collection raised in respect of the Clun Valley Good Neighbours scheme amounted to £395.

We would also like to thank Rev Anne Ogram for arranging and conducting such a nice service, and for her support during such a sad time. Our thanks also go to the medical practice at Clun for their assistance and help to Jane over a prolonged period.

Kempton's Address to the Haggis

As the tradition demands, the haggis was piped in, addressed, s t a b b e d and disembowelled. Thank you Keith Fraser for doing this in the most flamboyant and theatrical fashion. A packed audience sat around the festive tables to enjoy the fare and a chat with friends and neighbours. The tables were then cleared and dancers took the floor, under the guidance of Ron and Dot. Thanks to the helpers and all who came and contributed to make it such an enjoyable evening. See you in 2 years' time.

Wheelie Dealings in Clunbury!

It wasn't exactly the crime of the century, but any crime in the Clun Valley is so rare, fortunately, that it is worth a mention!

On Thursday, 26 January at 10.20 pm, our black wheelie bin, which we'd put down by the road for Friday morning collection, was stolen, along with Tansy Cottage's black and green bins.

My husband actually saw the vehicle from our kitchen window, alerted by its very noisy exhaust, though he couldn't see the colour or make as it was dark. It then went up towards Purslow.

Local police said we may find the contents of our bin tipped nearby but there's been no evidence of it yet. Whether they wanted the bins for storage or re-sale, who knows?

But if anyone else has had a similar problem, or if you have any information, please let us know at the Parish Post. Make sure you inform the police and get a crime number, or you will have to pay for your next wheelie bin!

Wildlife Gardening

Almost 60 people were present at the ASWSGC in January to hear John Fannin give the first talk of the new year. He spoke on "Gardening for wildlife" and our need to provide help for birds, insects and small mammals, in the face of urban spread. He pointed out that helping to increase wildlife is in our own interests, as the "goodies eat the baddies". John illustrated his talk with homemade examples of bird, bat, dormouse, hedgehog and insect boxes. He advised against using pesticides, but if we must, to use them last thing at night when bees will have returned to their hives. He suggested that we should not be too tidy in the garden, leave some nettles and a small woodpile where mammals and insects can hide. A pond, a wildflower meadow and native plants such as honeysuckle, crab apple and ivy will also encourage wildlife. John gave us a thoroughly stimulating evening, packed with detail and interesting tips.

The next meeting of the club is on 28 March, in Lydbury North Village Hall at 7.30 pm. The speaker will be Stan Wild on the subject of "Growing Japanese Maples from Seed". For further details contact Pauline 660120. Visitors always welcome.

A New Vicar

Well, we haven't got one yet, but meanwhile there have been some changes.

Since the end of January our old group of parishes has been split: Clungunford, Hopton and Bedstone are now part of the Bucknell group, while Clunbury, Clunton and Hopesay have joined the new 'Clun Valley Benefice' and we are linked with Bettws y crwyn, Newcastle and Clun.

The date has now passed for intending applicants to our benefice to apply and there were none to go forward to a shortlist, but we are still hopeful that we may get a suitable applicant in due course, though there are seven other vacancies in the Hereford diocese at the moment, so it may be a while!

Churchwardens and others in our new group have been meeting to get to know each other and to co-ordinate services; and it has been quite exciting to have so many different clergy taking our services, particularly when they come from a bit of a distance and go to Clungunford or Clunton, instead of Clunbury.

We have had a lot of things to learn that Barney normally did for us, but we seem to have managed reasonably well. This has been in great part due to the Rev Ann Ogram (part-time non-stipendiary minister in Clun), whose work load has more than quadrupled in the last months! She has now been appointed Curate in Charge of the Clun Valley Benefice until a new vicar is appointed.

Last of all, come and walk up Clunbury Hill on Good Friday, April 6, (3pm at the crossroads) and have tea in the village hall afterwards.
