Twenty Four and Counting

What an amazing way to commemorate the Queen's Diamond Jubilee when Clunton and friends celebrated in "royal" style at Cwm Bydd Farm high up in the hills. There was a banquet of food with a hog roast and sumptuous "puds" The highlight of the night came when the beacon was lit whilst the full moon gave us its own spectacular sight. Gradually with the help of a fantastic panoramic view, we watched as one by one beacons were lit along the valley and far away over the Long Mynd and Clee Hill and beyond, counting at least 24 at one time.

Congratulations and many thanks to all who worked so hard before and on the night to make the occasion a great success and special thanks to Carol and Jonathon for allowing us to invade their peace at Cwm Bydd Farm and giving us a night to remain always in our memories.

Ringling in the Jubilee

Clun Valley ringers joined together on Saturday 2 June, to ring in celebration of Her Majesty Queen Elizabeth the Second's Diamond Jubilee. Over 20 ringers, including six learners rang at Clungunford, Clunbury and Clun.

In addition, Jude Crighton, John Croxton, Barbara Freeman, Helen and Alex Sharpe, and Roger Webb rang a quarter peal at Clunbury on Sunday 3 June, after the Jubilee Service to mark the event.

Jubilee Beacon Party

Some 160 of us watched the Beacons light up as far as the eye could see:

an amazing and moving sight, as we argued about whether that was The Wrekin or not, and those who really knew their Shropshire Hills put the rest of us to shame! Best comments: 'Golly, all these years I have spent telling children about the Armada and Beacons – and I never thought I would see them myself' (Sylvia Grace, "aged 21"), and 'I think this is the bestest day of my whole life so far!' (Lily Jones aged 7), winner of the girls' Jubilee Themed Hat Competition.

A highlight of the Beacon Party was the sumptuous and groaning pudding table (and thank you so very much to all who so generously and creatively contributed to it) which took so long to absorb, so to speak, that we got a bit rushed by Beacon Lighting Time. And once it was lit – and other lights started sparkling on our hills and in our valleys - there was no dragging anyone back to the business of quizzes and raffles (see next page).

Thanks to all of you who made it such a memorable evening – pudding-makers, tent erectors, table decorators and all the other volunteers who made it work, were all wonderfully generous with their time and energy. And finally, thank you to Her Majesty the Queen, whose exemplary reign has given us all such a marvellous reason to celebrate.

PS We have a large white oval plate and a wooden slotted spatula unaccounted for – if they are yours please ring Pat Harding 660169.

Jubilee Thanksgiving Service

Clunbury enjoyed a special Diamond Jubilee Service of Thanksgiving taken by the Rev Ann Ogram, with a large congregation including lots of children, who all sang their hearts out, and then enjoyed delicious cakes, coffee and wine, including a wonderful Jubilee Union Jack cake made by Annie Sutton.

Jubilee Round-Up

As the rain was pouring outside, we stayed in church for the celebratory photos, taken by Rose

Evans, which can be viewed on theparishpost.org website. Thank you to everyone who blew up endless balloons, and put up bunting and flags, and arranged the beautiful flowers to match! Thank you too to the bellringers who rang a flawless 'Quarter Peal' for us. We are most grateful to Pat for playing for us, and to our readers, one of whom only just made it in the nick of time! But it all added to the feeling of celebration and enjoyment together.

Tracy Price had accumulated an astonishing number of prizes, any that are not claimed will be put up for raffle again at the Chairman's Barbecue on July 29 at Clunton Village Hall. Last but not Least

The unsung heroes of Clunton Village Hall Committee must not be forgotten. They worked long and tirelessly to produce a superb and truly memorable evening for the community. They are (in no particular order): Jack and Jenny Huffer, Tracy Price, Alan Grace, Ian Davies, Pat Harding and Malcolm Smith. Without them the whole thing would not have happened and it certainly would not have been as wonderful as it truly was. Thank you from us all.
